My dear Sir,

His Highness is much obliged to you for your letter of the 21st inst. As at present arranged His Highness leaves this tomorrow afternoon and after visiting Rameswaram & Dhanushkodi will arrive at Mysore on Thursday next the 30th inst.

In the matter of finding a house for General Barrett, His Highness is not in favour of any suggestion being made by us to the Military authorities that Mr. Banerji will be provided with a suitable residence on the High Ground ~~if they have an idea~~ should they take over Lansford House for the General's use. Such an arrange-

ment will probably cause inconvenience
to Mr. Banerji and he may not agree
to it. It would be a different matter
if the military authorities of their own
accord and without the suggestion em-
anating from us selected Mr. Banerji's
present residence and asked him to ...
vacate it. Perhaps Mr. Campbell's
communication to you on the
subject was not quite clear.

Sir Arthur Phayre in his letter to
Mr. Campbell mentioned "Westward Ho"
and two other houses on the High ...
Ground as suitable residences for
Genl. Barrett. In this connection
I am to request you to kindly
represent to the Military authorities
that for want of suitable accommo-
dation elsewhere it will be practically
impossible to shift the Government
Offices located therein. They may
not press the matter further if
they realize our difficulties
His Highness hopes you are keeping
fit & finding golf quite pleasant

Yours sincerely
